

Thank you for attending the Champions Dinner!

Your donation is very much appreciated and with your help we will be able to provide continual meals to seniors throughout the county.

We have an opportunity to match donated funds up to \$20,000 by May 30th and would like to invite you to be a part of **Architects of Change** donors. All donors during this time will be recognized (if you so choose) by name in our upcoming News-Press “Take A Senior To Lunch” campaign. We appreciate your support on any level and hope you choose to join us by feeding a senior for the year for just \$85.00 per month.

The sponsorship levels are as follows:

Feed a senior for one month \$55.00

6 months \$330

1 year \$660

\$85.00 per month **Architect of Change***

***Architect of Change** donors help sustain the ongoing program.
